INDEX TO 1960 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 28

Issue	Pages
January (2 Sections)	1-32
February	33-64
March	65-96
April	97-128
May	129-160
June	161-248
July-August	247-278
September	279-310
October (2 Sections)	311-342
November	343-374
December	375-406

General Index

A

Accident Prevention Committee Meeting, 275
Accidents
  Analysis of Fatal Accidents in the Electric Light and Power Industry in 1959—S. H. Young, 261
Accounting
  Accounting Conference to Be Held April 25-27 in New York, 82
  Accounting Conference Stresses Free Enterprise and Accelerated Depreciation, 131
  Committee Plans Revealed by EEI Accounting and Sales Division, 345
  Electronics Seminar Stresses Importance of Computers, 47
  The Latest in Customer Relations—C. T. Shoch, 135
  Relationship of Internal Auditing to Electronic Data Processing—H. R. Symes, 297
  What Does the Customer Really Want to Know?—D. T. Faust, 140
Accounting Conference Stresses Free Enterprise and Accelerated Depreciation, 131
Accounting Conference to Be Held April 25-27 in New York, 82
AEIC-EEI Extra-High-Voltage Cable Field Test Project—L. G. Smith and G. P. Adams, 59
Aiding in Education, 7
Air Conditioning
  Air Conditioning and High Bills—Ken Hinckley, 14
Air Conditioning and High Bills—Ken Hinckley, 14
All-Electric Concept from the Manufacturer's Viewpoint—F. J. Borch, 115
Allen Named to EEI Duty in Nation's Capital 30
American Electric Power Announces a New Steam, Gas Turbine Project, 85
American Society for Testing Materials
  Publications Available on Insulating Materials, 85
Analysis of Fatal Accidents in the Electric Light and Power Industry in 1959—S. H. Young, 261
Appalachian Power Plans 440,000-Kw Hydro Project, 160
Area Development
  Businessmen Must Lead the Way—J. W. McAfee, 393
  Detroit Edison Opens Warren Service Center, 247
  EEI Plans Seventh Annual Area Development Workshop, 332
Arkansas P & L Stages Electric Heating Fair, 80
Atlantic City . . . EEI Convention City, 70
Atomic Power
  Carolina P & L, Duke Plan for Youth Atom Conference, 64
  Dresden Nuclear Station Dedicated, 399
  Dresden Produces Electricity from Atom, 156
  Group Formed to Study Processing of A-Fuels, 16
  Low-Cost Atomic Electricity Sought by New York Group, 398
  SCE May Build Nation's Largest Atomic Energy Plant, 153
  Second Youth Conference on Atom Planned, 154
  Study Available on Radioactive Waste Handling, 367
  Texas Students Offered Atom Fellowships, 77
Auditing
  Relationship of Internal Auditing to Electronic Data Processing—H. R. Symes, 297
Automation
  Public Service E & G Plans Push Button Electric Power Plant, 304
Awards
  Baltimore G & E Department Gets 9,000,000-Hour Safety Achievement Award, 121
  Commonwealth Edison Wins Edison Award, 188
  Five Detroit Edison Employees Win Dow Awards, 155
  Florida Power & Light Wins Reddy Kilowatt Annual Report Award, 240
  48 Awards Presented for Safety Achievement, 268
  Georgia Power Wins Safety Award, 366
  Martin of Alabama Power Honored by the Institute, 202
  McDonough Honored, 371
  134 Safety Achievement Awards Presented Last Year, 54
  Philip Sporn Receives Conservation Service Award, 156
  Public Service E & G Meterman Wins Safety Council Medal, 29
  Rincliffe Cited by U. S. Army, 374
  Rules Revised for Sales Promotion Awards, 366
  Second Edison Award Will Be Presented at EEI Convention, 68
  Town Served By Connecticut L & P Wins 'Reader's Digest' Service Award, 245

B

Baltimore G & E Department Gets 9,000,000-Hour Safety Achievement Award, 121
'Bare-Hand' Repairs on High-Voltage Lines, 364
'Basic Economics,' by L. C. Michelon, Suited for Company Libraries, 242
Better Light Better Sight Bureau
  Chairmen Named for BLBS Bureau, National Electrical Week Observance, 307
  'Lighting for Industry' Booklet Available, 302
Biographies of Speakers, 104
Booklet Available on Consultant's Role, 144

Bright Outlook Seen for Electric House Heating at First Symposium, 116
Businessmen Must Lead the Way—J. W. McAfee, 393

C

'Cable Operations, 1957' Available from EEI, 12
Cadet Program in Action—Russell Hicock, 74
Can Motivation Research Help Utilities—Dr. Virginia Miles, 113
Carolina P & L, Duke Plan for Youth Atom Conference, 64
Chairmen Named for BLBS Bureau, National Electrical Week Observance, 307
CIGRE to Hear U. S. Reports on Generation, Transmission, 124
Cincinnati G & E Has 5 Million Safe Man-Hours, 383
Coal Research Group Reports on Findings, 125
Commercial Electric Cooking Conference to Be Held in Chicago, May 10, 126
Committee on International Cooperation Formed by EEI, 96
Committee Plans Revealed by EEI Accounting and Sales Division, 345
Committees of the Board of Directors, 315
Commonwealth Edison Wins Edison Award, 188
Conference Planned on Street Lighting, 296
Conservation
  Sporn (Philip) Receives Conservation Service Award, 156
Consolidated Edison Gives Artificial Kidneys to NYU, 13
Construction
  Appalachian Power Plans 440,000-Kw Hydro Project, 160
  'Electric City' to Be Built in New Jersey, 149
  SCE May Build Nation's Largest Atomic Electric Plant, 153
  Southern California Edison to Erect a 10-Story Building, 38
Conventions and Meetings
  Accident Prevention Committee Meeting, 275
  Accounting Conference to Be Held April 25-27 in New York, 82
  Accounting Conference Stresses Free Enterprise and Accelerated Depreciation, 131
  Commercial Electric Cooking Conference to Be Held in Chicago, May 10, 126
  Conference Planned on Street Lighting, 296
  EEI Plans Seventh Annual Area Development Workshop, 332
  Electrical System and Equipment Committee Meeting, 90, 272, 400
  Electronics Seminar Stresses Importance of Computers, 47
  Insurance Committee Meeting, 274
  LBE Women's Conference Slated Jan. 12-14, 388
  LBE Women's Conference Views 1960's as Total Electric Living Era, 50
  Meter & Service Committee Meeting, 271, 404
  Prime Movers Committee Meeting, 25, 88, 246
  Purchasing and Stores Meeting Planned May 2-4, 49
  Round Table Conference Held in Chicago, 301
  Round Table Conference Report, 337
  Sales Conference Sees a New Era of Electric Living in 1960's, 106
  Second Youth Conference on Atom Planned, 154
  'Sell Electric All the Way' to Be Theme of EEI Sales Conference, 48
  Transmission & Distribution Committee Meeting, 93, 276, 402
  Utility Motor Vehicle Conference Scheduled May 9-12, 94
Current EEI Research Projects—H. P. Seelye, 249
Customer Relations
  Accounting Conference Stresses Free Enterprise and Accelerated Depreciation, 131
  Latest in Customer Relations—C. T. Shoch, 135
  What Does the Customer Really Want to Know?—D. T. Faust, 140

D

Detroit Edison Opens Warren Service Center, 247
Dollar Savings in Fire Insurance Valuations—G. G. Blair, 253
Dresden Nuclear Station Dedicated, 399
Dresden Produces Electricity from Atom, 156

E

Economics
  'Basic Economics,' by L. C. Michelon, Suited for Company Libraries, 242
Edison, Thomas A.
  Science Youth Day to Honor Edison, 27
Editorial
  Man of Power, 370
Education
  Aiding in Education, 7
  Georgia Power to Give Music Scholarships, 41
  Second Youth Conference on Atom Planned, 154
  Texas Students Offered Atom Fellowships, 77
EEI Board of Directors
  Committees of the Board of Directors, 314
EEI Booklet Gives Electric Company Plans for Next 20 Years, 143
EEI Committee Personnel
  EEI Committees Face Challenges of a New Era, 313
  Officers, Board of Directors, Committees and Committee Personnel of the EEI for 1960-1961—Section II, October Issue
EEI Committees
  Committee on International Cooperation Formed by EEI, 96
  Committee Plans Revealed by EEI Accounting and Sales Divisions, 345
  Committees of the Board of Directors, 315
  EEI Committees Face Challenges of a New Era, 313
  Engineering and Operating Division Committees, 318
  General Division Committees, 323
  Officers, Board of Directors, Committees and Committee Personnel of the EEI for 1960-1961—Section II, October Issue
  Public Employee and Investor Relations Division Committees, 330
  Sales Division Committees, 352
EEI Committees Face Challenges of a New Era, 313
EEI Convention
  Atlantic City . . . EEI Convention City, 70
  Biographies of Speakers, 704
  Commonwealth Edison Wins Edison Award, 188
  EEI Convention Focuses Attention on Expansion Programs, Financing, Research and Development, Relations with People, New Markets, 163
  EEI Convention to Look Ahead to Problems and Opportunities of Next Decades, 99
  EEI Prepares for 28th Annual Convention in Atlantic City, 67
  Electric Heat: the Big Market of the Sixties—T. G. Ayers, 185
  Employee Relations in Perspective—H. S. Kaltenborn, 229
  Financing the Sixties' Expansion Program, Introduction—H. H. Scaff, 213
  Financing the Sixties' Expansion Program, Viewpoint of the Commercial Banks—G. M. Ives, 216
  Financing the Sixties' Expansion Program, Viewpoint of the Institutional Investor for Senior Financing—G. T. Conklin, Jr., 215
  Financing the Sixties' Expansion Program, Viewpoint of the Institutional Investor in Equity Securities—F. W. Page, 218
  Financing the Sixties' Expansion Program, Viewpoint of the Investment Bankers—H. H. Young, 220
  Fleger (Philip A.) Elected Vice President of EEI, 167
  Florida Power & Light Wins Reddy Kilowatt Annual Report Award, 240
  Free Enterprise and the Future—Donald Russell, 222
  Good Public Relations Must Be Earned—G. R. Conover, 235
  Hard-Head Engineering—J. F. Fairman, 198
  Knapp, (Sherman R.) Elected President of Edison Electric Institute, 165
  Live Better Electrically—Key to the Electrifying 60's—R. G. MacDonald, 177
  Martin of Alabama Power Honored by the Institute, 202

Neighborhood Service: Foundation of World Leadership—Allen S. King, 169
Patterns for Tomorrow's Power Needs—C. E. Oakes, 203
Power: Its Contribution to Our Future—Frank Pace, Jr., 182
Private Enterprise and Public Service in a Free Society—Dr. F. J. L. Blasingame, 191
Remarks of Sherman R. Knapp in Accepting Presidency of the Edison Electric Institute, 166
Role of Research in the Electric Industry—P. A. Fleger, 195
Rural Electrification Balance Sheet—W. T. Lucking, 174
Safety—a Management Responsibility—J. T. Wolfe, 226
EEI Convention Focuses Attention on Expansion Programs, Financing, Research and Development, Relations with People, New Markets, 163
EEI Convention to Look Ahead to Problems and Opportunities of Next Decades, 99
EEI Engineering and Operating Division
Engineering and Operating Division Committees, 318
EEI to Exhibit at 1964-65 World's Fair, 287
EEI General Division
General Division Committees, 323
EEI Officers
Officers, Board of Directors, Committees and Committee Personnel of the EEI for 1960-1961—Section II, October Issue
EEI Personnel
Allen Named to EEI Duty in Nation's Capital, 30
Farmer (Glenn) Retires from EEI after 27 years, 395
EEI Plans Seventh Annual Area Development Workshop, 332
EEI Prepares for 28th Annual Convention in Atlantic City, 67
EEI Publications
Aiding in Education, 7
'Cable Operation, 1957' Available from EEI, 12
EEI Booklet Gives Electric Company Plans for Next 20 Years, 143
I Want to Know About the Electric Industry, 396
New Report on U. S. Power Situation Available from the Institute, 53
Report on USSR Electric Power Development 1958-1959, 35
Rural Electrification in the United States, 17
Specification Available on Steam Turbines, 64
Study Available on Radioactive Waste Handling, 367
Training Course Available on Electric Heating, 269
EEI Public, Employee and Investor Relations Division
Public, Employee and Investor Relations Division Committees, 330
EEI Sales Division
Sales Division Committees, 352
Electrical System and Equipment Committee Meeting, 90, 272, 400
'Electric City' to Be Built in New Jersey, 149
Electric Energy
New Report on U. S. Power Situation Available from the Institute, 53
Electric Heat: the Big Market of the Sixties—T. G. Ayers, 185
Electric Heating
Arkansas P&L Stages Electric Heating Fair, 80
Bright Outlook Seen for Electric House Heating at First Symposium, 116
Electric Heat: the Big Market of the Sixties—T. G. Ayers, 185
Electric House Heating Exposition to Be Held March 21-23 in Chicago, 13
School Heating Report Revised by Committee, 7
Training Course Available on Electric Heating, 269
Electric House Heating Exposition to Be Held March 21-23 in Chicago, 13
Electric Industry
American Electric Power Announces a New Steam, Gas Turbine Project, 85
EEI Booklet Gives Electric Company Plans for Next 20 Years, 143
460,000-Volt Line Operated by Pennsylvania Electric, 372
Growth in Electric Power to Serve America—Allen S. King, 42
Illinois-Missouri Pool—Its Function, Organization and Operation—H. G. Goers, 78
Investor-Owned Utilities Can Meet Demands of the 1960's, Fleger Says, 333
I Want to Know About the Electric Industry, 396
Look at the Russian Electric Industry—Walker L. Cisler, 36
Name Changed, 374
Niagara Mohawk, Con Ed to Erect High-Voltage Lines, 84
1959 Performance and Future Prospects of the Electric Industry—Allen S. King, 3
Patterns for Tomorrow's Power Needs—C. E. Oakes, 203
Power Industry in the USA and in Russia—Donald S. Kennedy, 39
Power: Its Contribution to Our Future—Frank Pace, Jr., 182
Providing Power for Ohio's Future—Walter H. Sammis, 368
Report on USSR Electric Power Developments, 1958-1959, 35
Views on Taxes in the Electric Industry, 377
Views on Taxes in the Electric Industry, Mr. Ely's Statement, 378
Views on Taxes in the Electric Industry, Mr. Gilpin's Statement, 380
Views on Taxes in the Electric Industry, Mr. Knapp's Statement, 377
Electric Living
All-Electric Concept from the Manufacturer's Viewpoint—F. J. Borch, 115
'Electric City' to Be Built in New Jersey, 149
'Flameless'—New Theme of LBE Gets Wide Support from Industry Allies, 281
What They Are Saying About 'Flameless,' 285
Electrification, Rural
Looking Ahead in Farm Electrification—Grover C. Neff, 288
Realistic Look at Farm Sales—Edwin Venard, 18
Rural Electrification Balance Sheet—W. T. Lucking, 174
Rural Electrification in the United States, 17
Rural Sales Program That Meets The Challenge—W. R. Poole, 151
Electronic Data Processing
Relationship of Internal Auditing to Electronic Data Processing—H. R. Symes, 297
Electronics
Electronics Seminar Stresses Importance of Computers, 47
Electronics Seminar Stresses Importance of Computers, 47
Employee Relations
Employee Relations in Perspective—H. S. Kaltenborn, 229
Employee Relations in Perspective—H. S. Kaltenborn, 229
Energy Institute
First Energy Institute to Be Held in Washington, 53
Engineering
Hard-Head Engineering—J. F. Fairman, 198
Engineering and Operating Division Committees, 318

F

Farmer (Glenn) Retires from EEI after 27 Years, 395
Financing
Financing the Sixties' Expansion Program, Introduction—H. H. Scaff, 213
Financing the Sixties' Expansion Program, Viewpoint of the Commercial Banks—G. M. Ives, 216
Financing the Sixties' Expansion Program, Viewpoint of the Institutional Investor for Senior Financing—G. T. Conklin, Jr., 215
Financing the Sixties' Expansion Program, Viewpoint of the Institutional Investor in Equity Securities—F. W. Page, 218
Financing the Sixties' Expansion Program, Viewpoint of the Investment Bankers—H. H. Young, 220
Financing the Sixties' Expansion Program, Introduction—H. H. Scaff, 213

Financing the Sixties' Expansion Program, Viewpoint of the Commercial Banks—G. M. Ives, 216
Financing the Sixties' Expansion Program, Viewpoint of the Institutional Investor for Senior Financing—G. T. Conklin, Jr., 215
Financing the Sixties' Expansion Program, Viewpoint of the Institutional Investor in Equity Securities—F. W. Page, 218
Financing the Sixties' Expansion Program, Viewpoint of the Investment Bankers—H. H. Young, 220
First Energy Institute to Be Held in Washington, 53
Five Detroit Edison Employees Win Dow Awards, 155
'Flameless'—New Theme of LBE Gets Wide Support from Industry Allies, 281
Fleger (Philip A.) Elected Vice President of EEI, 167
Florida Power & Light Wins Reddy Kilowatt Annual Report Award, 240
Forecasting
Electric Heat: the Big Market of the Sixties—T. G. Ayers, 185
Investor-Owner Utilities Can Meet Demands of the 1960's, Fleger Says, 333
1959 Performance and Future Prospects of the Electric Industry—Allen S. King, 3
Patterns for Tomorrow's Power Needs— C. E. Oakes, 203
Providing Power for Ohio's Future, 368
48 Awards Presented for Safety Achievement, 268
475,000-Kw Turbine-Generator Operated by Indiana & Michigan, 397
460,000-Volt Line Operated by Pennsylvania Electric, 372
Fourth Industrial Electric Heating Conference Planned, 8
Freedoms Foundation
Lindseth Speech Cited by Freedoms Foundation, 96
Free Enterprise
Accounting Conference Stresses Free Enterprise, and Accelerated Depreciation, 131
Free Enterprise and the Future—Donald Russell, 222
Investor-Owned Utilities Can Meet Demands of the 1960's, Fleger Says, 333
Private Enterprise and Public Service in a Free Society—Dr. F. J. L. Blasingame, 191
Utility Teaches Free Enterprise Through Junior Achievement, 146
Free Enterprise and the Future—Donald Russell, 222

G

General Division Committees, 323
Generation
American Electric Power Announces a New Steam, Gas Turbine Project, 85
CIGRE to Hear U. S. Reports on Generation, Transmission, 124
Dresden Produces Electricity from Atom, 156
475,000-Kw Turbine-Generator Operated by Indiana & Michigan, 397
Providing Power for Ohio's Future—Walter H. Sammis, 368
Public Service E & G Plans Push Button Electric Power Plant, 304
Specification Available on Steam Turbines, 64
Georgia Power Adequate Wiring Plan Approved, 9
Georgia Power to Give Music Scholarships, 41
Georgia Power Wins Safety Award, 366
'Gold Mine in the Sky'—Sherman R. Knapp, 389
Good Public Relations Must Be Earned—G. R. Conover, 235
Government Encroachment
Businessmen Must Lead the Way—J. W. McAfee, 393
Private Enterprise and Public Service in a Free Society—Dr. F. J. L. Blasingame, 191

Views on Taxes in the Electric Industry, Mr. Ely's Statement, 378
Views on Taxes in the Electric Industry, Mr. Gilpin's Statement, 380
Views on Taxes in the Electric Industry, Mr. Knapp's Statement, 377
Group Formed to Study Processing of A-Fuels, 16
Growth in Electric Power to Serve America—Allen S. King, 42

H

Helicopters Used by Southern California Edison, 118
Hard-Head Engineering—J. F. Fairman, 198
High-Voltage Cable
AEIC-EEI Extra-High-Voltage Cable Field Test Project—L. G. Smith and G. P. Adams, 59
Housepower Profit Clinic Launched by EEI, 122
How Do You Rate? . . . —G. G. Rawls, 111
How the Seminoles Live Better Electrically, 55
Hydroelectric Power
Applachian Power Plans 440,000-Kw Hydro Project, 160

I

Illinois-Missouri Pool—Its Function, Organization and Operation—H. G. Goers, 78
Industrial Electrification Council
Fourth Industrial Electric Heating Conference Planned, 8
Industrial Relations
Round Table Conference Held in Chicago, 301
Round Table Conference Report, 337
Industry Prepares for 1961 Celebration of National Electrical Week, 305
Insurance
Dollar Savings in Fire Insurance Valuations—G. G. Blair, 253
Insurance Committee Meeting, 274
Intriguing Sales Challenge Ahead—Allen S. King, 108
Investor-Owned Utilities Can Meet Demands of the 1960's Fleger Says, 333
I Want to Know About the Electric Industry, 396

J

Junior Achievement
Utility Teaches Free Enterprise Through Junior Achievement, 146

K

'Keep Pace Electrically' Planning Guide Available, 77
Knapp (Sherman R.) Elected President of Edison Electric Institute, 165

L

Latest in Customer Relations—C. T. Shoch, 135
Lawrence Named Chairman of Sales Division, 303
LBE to Launch 10-Point Ad Program, 150
LBE Women's Conference Views 1960's as Total Electric Living Era, 50
LBE Women's Conference Slated Jan. 12-14, 388
'Lighting for Industry' Booklet Available, 302
Lindseth Speech Cited by Freedoms Foundation, 96
Live Better Electrically
'Flameless'—New Theme of LBE Gets Wide Support from Industry Allies, 281
How the Seminoles Live Better Electrically, 55
Lawrence Named Chairman of Sales Division, 303
